While out riding yesterday afternoon with her son, Sam B. Wilson, and a party of friends, Mrs. J. P. Wilson happened to a slight accident that caused quite a feeling of uneasiness among members of the family. They were riding on the College road and just after crossing a bridge the rear wheel of the car dropped into a small ditch or rut in the road and she was thrown with considerable force to the bottom of the car and her back wrecked and she received a severe shock to her nerves, according to the attending physician. Mrs. Wilson was brought immediately to her home and medical aid was summoned. She suffered considerably from the shock but is reported to be much better today. The accident was one that was absolutely unavoidable, as it was impossible for Mr. Wilson to see the low place above described. The Eagle trusts that Mrs. Wilson's recovery will be quick and complete.

## PRESIDENT TO NAME COURT MARTIAL

If Delinquent Guardsmen Appear Before Court Martial Convened, Cases Will Be Dropped.

Washington, May 26.—President Wilson will personally appoint the members of a court martial which will try 116 members of the Texas National Guard for refusal to present themselves to be mustered into the federal service.

Secretary Baker made this announcement late Thursday, adding that it had been determined that the president, rather than General Funston, should convene the court, as it was the president who gave the order which the Texas militiamen are accused of disregarding.

General Funston has been instructed to recommend officers for appointment, as the court will be composed mainly of the Texas Guard. If the men present themselves to the proper officials before the court convenes, Mr. Baker said, the case will be dropped.
